MEMORANDUM FOR THE RECORD

Morning Meeting of 2 October 1968

ADD/I passed the Director a summary of the reports from the latest Pugwash Conference and a paper concerning Soviet failures in intelligence estimating.

Godfrey noted that the return to the Congo of the Congolese insurgent leader Mulele, who received help from the Chinese Communists in 1963-64, is causing some rumblings in the ANC.

Godfrey discussed the repositioning of enemy forces in South Vietnam and offered the tentative conclusion that the third offensive is over and that preparations for the winter-spring offensive are now under way.

Godfrey reported that an interagency meeting on enemy infiltration into South Vietnam will be held today. The Director urged that a careful review be made of any findings by this working group prior to their dissemination.

D/ONE recommended that no pre-USIB meeting be held and discussed the pros and cons of the conclusions to NIE 11-17.

DD/S reported that recruiting of college students both on and off campus has commenced and observed that suggestions which have been solicited from within the Agency concerning recruiting have been found to be beneficial.

DD/S informed that the cafeteria service is back to normal and that the sanitation inspections are proceeding.
